Soloist Dan Barrale

Dan Barrale was born in New York City and he has been singing and drumming as far back as he can remember. He comes from a very musical family background and loves to listen to and perform all genres of music. His specialty is performing the American Songbook in his soulful Sinatra styling. He resides in Charlottesville and sings with a local band which is featured at inaugurals, corporate functions, the Kennedy Center Galas and hundreds of weddings. Dan is also a fine craftsman and residential mechanic and he is truly honored to be performing with the Charlottesville Municipal Band this Holiday Season.
